

# 2018 CGSA/Foley United Equipment Technician of the Year Award

---

## The Opportunity

CGSA is proud to present the CGSA/Foley United Equipment Technician of the Year Award. This award recognizes the specific achievements of a golf course equipment technician whose performance and contributions to the success of the facility go beyond those that would normally be expected.

The award is to be presented to an individual who has contributed to his or her golf facility in a significant way and who has demonstrated professionalism, innovation and a team approach in their work.

The CGSA/Foley United Equipment Technician of the Year Award is open to member equipment technicians or superintendents that are also responsible for their own equipment maintenance. Nominations must be made by two CGSA members – any category.

**The nominee must be an equipment technician member of CGSA or a superintendent member that has primary responsibility for the day-to-day maintenance of equipment.**

## The Criteria

Applications must be submitted by any two CGSA members in good standing. The submission must include the award application and a typed 500-word (or less) description (including pictures where applicable) of the ways in which the nominee has best demonstrated professionalism, motivation and the ability to contribute to the efforts of the golf course management team at their facility. Nominations must be received by midnight on **November 30, 2018**.

All applications must be submitted electronically using the Equipment Technician of the Year (ETY) application form which is available on the CGSA website at [www.golfsupers.com](http://www.golfsupers.com).

## Who Will Select Award Winner

A selection committee consisting of CGSA superintendent members with no obvious connection to any of the nominees and a Foley United representative will be appointed to select the award recipient.

## The Award

The equipment technician chosen from among those nominated will receive registration for **The Canadian** 2019 Golf Course Management Conference, round-trip airfare to Banff Springs in Banff, Alberta, (the conference location) and four nights' accommodation at the conference hotel. In addition, the recipient of the award will receive an Equipment Technician of the Year plaque. The award will be presented during the Awards Ceremony in March 2019.
