

RAISE YOUR GAME TODAY By Choosing Another Benefit Option

LIMITED TIME OFFER - ACT BEFORE OCTOBER 31ST!!

We recently launched new benefit options that are now available to all CGSA members. You have always been a member with **Essential** benefits and we want to tell you that nothing has changed with your membership. You've received the **best price** on your membership, with a **\$2,400** value of member benefits. The new value benefit packages called **Premium** and **Ultimate** are for those members who would like to receive more member benefits than they receive in the **Essential** package.

If you are looking to **Raise your Game**, then check out the **PREMIUM** benefit package which is your **BEST VALUE** or if you are looking for the **BEST OVERALL** option, then you definitely want the **ULTIMATE** benefit package! Either one of these packages saves you money on registering for our events, additional savings on many personal purchases through **memberperks®** along with several other value-added benefits. Click [here](#) to see what each package includes in the benefit sheet.

And to encourage you to try out these *new* benefit options, take advantage of the **ULTIMATE** package and we'll include a complimentary membership that includes the **Essential** benefit package for you to extend to a member on your crew*. But you must act fast! It's a limited time offer if you **Raise Your Game** before **October 31, 2018** to the **ULTIMATE** benefit package. The complimentary membership **Essential** benefit package that your club will receive can be for your assistant, equipment technician or maintenance staff. You'll have ALL that the **ULTIMATE** benefit option offers plus the added membership for your staff member.

RAISE YOUR GAME TODAY by Completing this [Form](#) for yourself and the [Essential Form](#) for your staff.

If you have any questions, please contact Lori Micucci, Manager, Member Services, 1-800-387-1056/416-626-8873 ext. 226 or lmicucci@golfsupers.com at the CGSA office.

Sincerely,
